Gifted and Talented Program 2015

Randwick Boys’ High School is pleased to be able to offer to successful students an opportunity to be a part of our Gifted & Talented Program for Year 7, 2015. For current Year 7 students there are limited places for Year 8, 2015.

This is a wonderful chance to be a part of an enriched environment for gifted and academically talented students who are grouped together and provided with stimulating intellectual challenges. The class size is limited to 20 students only. The selection process involves sitting an exam, followed by an interview.

Interested students and their families should read the Information Package available on the Gifted and Talented Program webpage.

A Parent Information evening will be held in the School Library on Tuesday 27th May from 5-6.30pm.

Please direct any queries to the Gifted and Talented Coordinator, Ms A Edwards.

We are now taking orders for

BLAZERS

Special Offer – only $110.00

If you would like to order a blazer with a logo, the Uniform Shop now has a selection of sizes that you can try on. It will take two to three weeks to make them.

We have an extraordinarily great deal on these. Our 2012 price was $150 - $180. They are NOW available for $110.

If you would like to order a blazer, check your size with the Uniform Shop next Thursday, then pay $110 and give your size details to the front office.

Offer will close when a minimum number has been reached for us to place an order.
CHESS AT JJ CAHILL

On Wednesday 9th April, nine of our keenest chess students travelled to JJ Cahill to play chess against students from Randwick Girls’, South Sydney and JJ Cahill. Our team included:

Year 7: Joe Francio, Ethan Lee Chalk, Ruben Samer, Veron Singh
Year 8: Warren Song
Year 10: Jason Kangais and Mahir Khan
Year 11: Mitchell Shelton and Huy Thong Tran

Each student played seven games. Each player was selected by computer so that a junior student might have a senior student as an opponent. This was not an aged based competition. We won the schools’ competition with 22 points.

The next school gained 16 points. Our school did very well. Scores were based on the first four players from each school. Our first four players were Ruben Samer, Warren Song, Huy Thong Tran and Jason Kangais.

A total of twenty-six students from the four schools participated on the day. Out of the twenty-six students, Ruben came first, Warren second, Huy Thong fourth and Jason eleventh. Ruben won all of his seven games, Warren won six, Huy Thong won five and Jason four.

Congratulations to everyone. Good luck for the forthcoming interschool competition.

Librarian

Report by Huy Thong Tran

In the last week of term 1, nine students from RBHS attended a chess competition in JJ Cahill. It is called “Interschool Chess Challenge 2014.” There were also three more schools in the competition – South Sydney, RGHS and JJ Cahill.

The competition started at 9.45 and finished at 2.30. There were about 26 players, each player played seven matches and each match was about half an hour. RBHS achieved a brilliant result from the competition.

We had two players from years 7 and 8: Ruben and Warren. They came first and second in this competition. Ruben had an excellent performance with 7 / 7 points. Warren had 6 / 7 points (he lost to Ruben).

With nine players there was no surprise when RBHS also won the team award with 22 points.

RBHS had a brilliant day and all nine players did their best. They all learnt lots of experiences and tactics from this competition. RBHS has a good chess team and we should join more competitions to develop our skills. By winning this competition, we got a ticket to the semi-final of the tournament. The semi-final will be held in term three

Mahir Khan and Joe Francio

Report by Joe Francio

On Wednesday the chess team went to JJ Cahill to verse other high school in chess. Each player played 7 games. We had a brilliant start. One of our students (Ruben) came first in every game. We were so good that we had to verse people from our team. Our school won the competition by a mile.

Warren Song and Ruben Samer

Report by Warren Song

I came second in the competition and I received a trophy. We had so many people in our team we overpowered the others. Everyone learnt new strategies from playing chess. Even though we played as individuals, I prefer a team game.

Report by Jason Kangais

The competition was tough. Competitors from other schools were just as experienced as we were. They planned ahead the same ways we did. Geniuses ranged from Years 7 all the way to Year 12. Friendships were built . . . so were rivalries, but Randwick Boys stuck together and pushed through.

The way we achieved our victories were unpredicted but the result we set out for we gripped through sheer knowledge and experience. Thank you to all the Randwick Boys.
In the first round we faced Cherrybrook, from the outset they were stiff opposition and we had to work hard to overcome them. After a try in our second set, Cherrybrook hit back to keep in the game and both teams headed into half time with Randwick leading 6-4. After half time Cherrybrook attacked our line and we were struggling to keep them from scoring. With a quick turnover and running like a prop Tyrell Mayfield ran the length of the field to give Randwick some breathing space. With only a minute remaining we sealed victory with another try to win the match 14-4. Special mentions go to outside backs Eze Salakas and Luke Shukri for their watertight defence on the right edge.

In the second round Randwick played Pittwater. With a more focused attitude we showed plenty of commitment in attack and defence. Raine Dellow shifted from centre to prop and gave immediate impact creating a roll on for other forwards Martin Pakofe and Refik Demir. With 2 tries a piece to Tyrell Mayfield, James Moloney and singles to Andrew Fairweather, Refik Demir and Josh Chan as well as Michael Hooper-Tau being very accurate with the conversions, we ran away with the game comfortably.

In the third game we played Hunters Hill High School. This was a much easier game for our boys leading up to the semi-finals. Even though we played within ourselves, natural speed, skill and power ensured we accounted for Hunters Hill. Players to stand out were Ruben Samer, Ethan Lee Chalk, Daniel Alterator and Tolga Selim.

In the semi-final, we were drawn to play against Narrabeen Sports High School. This was going to be a tough game as they too had gone through the round games undefeated. In the first half we started very well. The boys from Randwick ran hard with forward Andrew Fairweather getting through a mountain of work early on. In defence James Moloney, on the wing forced two errors from his opposition winger allowing us to get the ball in a good attacking position. On the other side of the field the youngster of the Hooper-Tau brothers, Jared was pulling off some bone-jarring tackles on his opposition centre that looked dangerous every time he touched the ball. After some fantastic lead up play, Randwick scored through Andrew Fairweather and converted through Michael Hooper-Tau. Going into half-time Randwick lead 6-0.

After half time, Narrabeen came out hard and with injuries forcing three of our players off, Narrabeen took advantage scoring 2 quick tries. As the halves only last 10 minutes, this didn’t give much time to mount a counter-attack. We attempted a short kick-off and we only just missed regaining the ball, assuring Narrabeen had the ball for the final set of the game and running out deserved winners.

Well done on a fantastic effort to all the boys who played and a particular thank you to all the parents for their encouragement and support on the day. Well done too, to the boys who are not 14 this year who played exceptionally well.

Mr George and Mr Turkdogan
Waterpolo Champion

Last week Scott Dyson from year 8 trialled for the Sydney North Open Boys Waterpolo team. This trial was open to boys from Year 7 to Year 12, despite being one of the youngest players he was able to compete and be successful in making the team. Scott will now represent Sydney North in the NSW Waterpolo Championships in Tamworth later this year. Congratulations on your achievement Scott and keep up the good work!

Game Training RoadShow

An incursion has been arranged offering a wonderful opportunity for all students to learn to create their own commercial quality video games at school.

Date of Incursion:
Tuesday, 17 June 2014 - 9am to 11am in the School Hall

Description:
Students will learn to create their own commercial grade 3D World with hills, ocean, sky and trees which blow in the wind. They will also learn how to import vehicles and create winding roads to make fun driving games, write simple artificial intelligence code and character animation code. They will learn the 12 most important coding concepts needed to create games for all major platforms, mobile devices and games consoles.

Other Information:
There will be an initial capacity of 30 students per year set so that all students will have a reasonable chance of securing a place.

Cost:
$45 (includes over $3500 worth of resources)

Special Instructions:
In order to book a place at the Roadshow students must secure a place by returning the permission note (including payment) to reception. Permission notes are available from Mr Bunn, Mr Semaan, Mr Anderson in the Library, and from the front office.

Every Student Receives:
- Links to The Free Commercial Game Development Software (Mac/Windows)
- Access to A Library Of Game Development Resources Valued At Over $3500 - these include vehicle packs, 3D models, scripts, terrain tools, an amazing weather simulator and complete game scenes.
- Video tutorials to use at home.
- A fully coded 10 level game with source code and full resale rights.
- Ongoing Support beyond the event for help with coding and questions.
