From the Principal

Inner Sydney Education Strategy
You may have heard or read recently about consultation underway in relation to how the Department of Education and Communities will accommodate growing demands on inner Sydney High Schools. There is some further information in this bulletin.

While the Randwick area is not a part of the footprint for this consultation, we will no doubt face our own pressures as the corridor along Anzac Parade sees increasing housing development over the next decade. It may also come to be that we feel an impact from any decisions reached in relation to school boundaries.

At this point, an extensive consultation process has begun and is open to wider participation. The DEC website has a link: www.dec.nsw.gov.au/sydneyhsconsultation where the latest information can be found, along with the timetable for consultation. If you are interested, I encourage you to visit the website and be part of the consultation.

Partner Primary School Visits
Each year, the Principal of Randwick Girls’ High School, Mrs Emerson, and I visit local partner Primary Schools to discuss the range of possibilities that are available at our two schools. Having undertaken this activity for many years now, I have been pleased to see that increasingly, public secondary education is seen as a strong choice among parents.

This is due to the great work of teachers, parents and students, working together to build our reputation as a caring, safe, stimulating environment in which young men learn and grow. The work of our Prefects, SRC, sporting teams, debating and chess teams, the great results achieved by our HSC cohorts, the marvellous advocacy of our P&C and the tireless work of the staff – teaching and ancillary – have all built our reputation.

I am always proud to represent the community of Randwick Boys’ High School when I visit Primary Schools and I am very proud to be able to share news of the great work that is being done at our school with parents who, potentially, will make the choice to join us in the future.

W Duncombe
Principal

Gifted and Talented Program 2015
Randwick Boys’ High School is pleased to be able to offer to successful students an opportunity to be a part of our Gifted & Talented Program for Year 7, 2015. For current Year 7 students there are limited places for Year 8, 2015.

This is a wonderful chance to be a part of an enriched environment for gifted and academically talented students who are grouped together and provided with stimulating intellectual challenges. The class size is limited to 20 students only. The selection process involves sitting an exam, followed by an interview.

A Parent Information evening will be held in the School Library on Tuesday 27th May from 5 – 6.30pm.

Please direct any queries to the Gifted and Talented Coordinator, Ms A Edwards

******
Prefects at Westmead Hospital

On the 26th and the 27th of March, the Randwick Boys’ prefecture hosted the ‘Bandaged Bear’ Bombardment, which aimed to raise funds for the ‘Bandaged Bear’ Foundation. The foundation utilises funds to support sick children at the Westmead Children’s’ Hospital. Through the generous donations of the students and teachers, $1600 was raised.

On Thursday the 8th, Vice-Captain Tilan Mahayagoda and Prefects Simon Zhang and I, with the assistance of Ms Edwards and Ms Andrewartha, travelled to Westmead Children’s Hospital to present the cheque to the staff. After the presentation of the cheque, we prefects were taken on a tour of the Children’s Hospital. Our guide exhibited various aspects of the hospital including the Starlight Room, the George Gregan Foundation playground, the children’s library, the Oriental Garden and other sections where our donation will be spent. The hospital was bursting with vitality and energy with mosaics of colour and pieces of artwork. It was explained to us that every part of the hospital was laid out to make the experience of sick children as bright and enjoyable as possible. This was best expressed where the children’s rooms all faced out to the Westmead gardens and playground and not the usual dullness of walls and car parks.

The tour was a special experience as we got to visualise how Australia’s biggest children’s hospital operated and how the hospital set out to make children’s lives as pleasant as humanly possible. We thank all the students and teachers who generously donated during our ‘Bandaged Bear’ Bombardment, and we hope it will become an annual extravaganza.

Thanks for your support,
Jayden Maloney

FW: Community Consultation on Secondary School Provision in Inner Sydney - Update for Principals

Consultation on strengthening public secondary education in the inner Sydney area

The NSW Department of Education and Communities is looking at how to address changing needs for public secondary education in inner Sydney. They want feedback from the community and have organised a number of ways this can occur. Full details are available at [www.dec.nsw.gov.au/sydneyhsconsultation](http://www.dec.nsw.gov.au/sydneyhsconsultation)

Consultation is open to parents, teachers, students and the wider community. Comments can be made online, by attending a workshop or by hosting a Kitchen Table Discussion - please go to the website for more information.

The consultation period is from 16 May – 27 June 2014.

2. If the media calls thank them for their interest and direct them to Mark Davis, Director of the Department’s Media Unit on 02 9561 8000.

Thanks again

Have a great day.

Sylvia

(Dr) Sylvia Corish | Director | Public Schools NSW | Port Jackson Network
Bondi Office, 5 Wellington Street BONDI NSW 2026 | Ph: (02) 9298 6900 | Fax: (02) 9298 6940

---

Is your son leaving school early?

In the morning send a note with your son advising us of his early departure and the reason for his leave.

Before roll call the student must take the note to our Deputy and get it signed.

He then takes the signed note to the Rolls Office who will issue him with an ‘Early Leavers’ pass.

This procedure will eliminate any delay in your son’s departure

Ancient History Excursion to Italy and Greece 2014

Our Ancient History trip for 2014 started in Venice and Florence and then onto Rome for an intensive study of gladiatorial tactics. The trip was 24 days of study, travel, gourmet adventures and lots of fun. The cost per student was $5940 which included all travel, hotels, transfers, breakfasts and some entrance fees to museums and historic sites. Many of the students worked “flippin’ burgers” to save for the trip.

After Rome we travelled to Pompeii and Herculaneum for our HSC study compulsory topic. Many pizzas and gelatos later we ventured onto Greece. More photos of that part of the trip will follow next week!
Piazza Navona in Rome (local artist market)

At the Forum in Pompeii (note: Mt Vesuvius in the background)

Treasures from the Naples museum

Saying ‘cheese’ at Epidavros (Greece)

Game Training Road Show

An incursion has been arranged offering a wonderful opportunity for all students to learn to create their own commercial quality video games at school.

Date of Incursion:
Tuesday, 17 June 2014 - 9am to 11am in the School Hall

Description:
Students will learn to create their own commercial grade 3D World with hills, ocean, sky and trees which blow in the wind. They will also learn how to import vehicles and create winding roads to make fun driving games, write simple artificial intelligence code and character animation code. They will learn the 12 most important coding concepts needed to create games for all major platforms, mobile devices and games consoles.

Other information:
There will be an initial capacity of 30 students per year set so that all students will have a reasonable chance of securing a place.

Cost:
$45 (includes over $3500 worth of resources)

Special Instructions:
In order to book a place at the Roadshow students must secure a place by returning the permission note (including payment) to reception. Permission notes are available from Mr Bunn, Mr Semaan, Mr Anderson in the Library, and from the front office.

Every Student Receives:
- Links to The Free Commercial Game Development Software (Mac/Windows)
- Access to A Library Of Game Development Resources Valued At Over $3500 - these include vehicle packs, 3D models, scripts, terrain tools, an amazing weather simulator and complete game scenes.
- Video tutorials to use at home.
- A fully coded 10 level game with source code and full resale rights.
- Ongoing Support beyond the event for help with coding and questions.

Paul Bunn
Computer Coordinator
After half time Randwick came firing out of the blocks lead by the halves combination of Tano De Guzman and Matt Overmeyer. With Joe Vasilis ordering the forwards around with excellent talk and great positional play, the game soon started going in Randwick’s favour.

The outside backs Will Ng-Fawcett, who was showing his attacking skill rather than his bone rattling defence, was excellent as well as Jayden Manu, Heydn Rodriguez and Jonathan Sinclair at fullback. The determination of Randwick’s forwards not to give up any ground was impressive and we shut Epping out of the match, keeping them scoreless in the second half. Jarvis Seve-Asiata was working tirelessly around the ruck for the entire match and was one of our best players of the day.

Randwick eventually ran out winners 27-5.

The three highlights of the day were:
1. Taha Hajje’s bone crunching tackle on his Epping opponent.
2. The effort of the U/15’s playing up with the opens as well as the commitment of the remaining opens team on the day.
3. Matt Overmeyer’s cross field kick to Slevin Prasad who out-leapt Taha to score a great try.

Well done boys and don’t forget training is 3:20pm every Monday on the school oval.

Mr George and Mr Bladwell

******

GIO trophy competition

The Randwick Boys’ Opens Rugby League team ventured to Leichhardt Oval to participate in the combined Eastern Suburbs/Balmain division of the tournament. This is a state wide competition played between the state’s comprehensive high schools.

In the first match we came up against South Sydney High School. From the start the South Sydney team played the game with more aggression, finesse and passion. This had the Randwick team on the back foot from the start and from which we never recovered. After a few tries we stemmed the flow, when Will Ng-Fawcett came into the game that not only drew attention from the competing schools but from the schools competing. Time after time Will put some huge opponents on their back in defence with what appeared relative ease.

In attack, Sol Azzam looked dangerous out of hooker with some probing darts whilst Brandon El-Saneh always had the South Sydney defence on high alert. Jayden Manu and Nick Vilardo were extremely busy in defence and often cleaned up some fragile defence by the Randwick team.

Open Rugby 21st May 2014 vs Epping

With both teams fielding under strength teams due to representative commitments, this game was certain to test the quality of the depth of the remaining of each team’s overall squad. Randwick required four of the under 15’s squad to play in the opens to fill some positions. These boys were Damon Te Rangi, Duaan Drollet, Martin Wilkins and Hugo Watson. Each of these boys showed real character and toughness outplaying their older and bigger opponents. Duaan was rewarded with a well-deserved try at the end of the first half that gave Randwick the lead.

Both teams started the game in positive fashion, playing hard and fast. Epping scored first after Randwick made repeated handling errors and infringements in the play. Randwick struck back soon after through Taha Hajje after several damaging runs. This levelled the game. The score remained the same until Duaan’s try at the end of the half after great lead up play through Randwick’s forward, Damon Te Rangi, Charlie Hayes, Slade Samagaio and Slevin Prasad.

The outside backs Will Ng-Fawcett, who was showing his attacking skill rather than his bone rattling defence, was excellent as well as Jayden Manu, Heydn Rodriguez and Jonathan Sinclair at fullback.

The determination of Randwick’s forwards not to give up any ground was impressive and we shut Epping out of the match, keeping them scoreless in the second half. Jarvis Seve-Asiata was working tirelessly around the ruck for the entire match and was one of our best players of the day.

GIO trophy competition

The Randwick Boys’ Opens Rugby League team ventured to Leichhardt Oval to participate in the combined Eastern Suburbs/Balmain division of the tournament. This is a state wide competition played between the state’s comprehensive high schools.

In the first match we came up against South Sydney High School. From the start the South Sydney team played the game with more aggression, finesse and passion. This had the Randwick team on the back foot from the start and from which we never recovered. After a few tries we stemmed the flow, when Will Ng-Fawcett came into the game that not only drew attention from the competing schools but from the schools competing. Time after time Will put some huge opponents on their back in defence with what appeared relative ease.

In attack, Sol Azzam looked dangerous out of hooker with some probing darts whilst Brandon El-Saneh always had the South Sydney defence on high alert. Jayden Manu and Nick Vilardo were extremely busy in defence and often cleaned up some fragile defence by the Randwick team.
In the second game Randwick played JJ Cahill Memorial High School. This again was a match where it was mate against mate but played in a competitive and fair spirit. The Randwick boys started much better in this game. As this was JJ’s first game, they appeared fresher and were making some inroads, until, one again, Will Ng-Fawcett made some bone-crunching defence. In consecutive tackles Will stopped the JJ props in their tracks. After this Randwick gained the ascendancy and were able to score through Brandon El-Saneh.

JJ hit back with a try to leave the game at 6-4 in Randwick’s favour at the half time break. After the break Tano De Guzman orchestrated the attack which gave Randwick the perfect platform to put more pressure on JJ and increase the lead.

In attack, Josh Anderson, Larnick Maiko and Slade Samagaio were making some great runs whilst Slevin Prasad, Billy Imdat and Nash Mackey were backing up Ng-Fawcett with great defence.

After the pressure applied by the Randwick boys we finally cracked the JJ line with Brandon El-Saneh scoring another two tries.

With a win and a loss that placed the Randwick boys in second position of our pool and we were up against the top team in the Balmain division, Strathfield South.

Randwick started the game well against Strathfield holding their defensive line and making advances in attack. Sol Azzam was making damaging runs from dummy half before sustaining an injury and ending his day. With Sol injured, Heydn Rodriguez slotted into dummy half and offered the Randwick forwards quality service.

With repeat sets on the Randwick line, Strathfield finally cracked our line and converted to take a 6-0 lead into half time.

In the second half Brandon El-Saneh was extremely dangerous in attack whilst Julian Sebastiao and Jayden Manu were extinguishing some promising Strathfield attacking raids. Finally Randwick broke through Strathfield’s defences and levelled the scores 6 all. Strathfield replied almost immediately and regained the lead 12-6. Despite a few more opportunities Randwick failed to capitalise and at full time the score remained 12-6.

At the culmination of the day the team voted for a players’ player, this was won by Will Ng-Fawcett, he won this convincingly. Other players who earned votes were Jayden Manu, Brandon El-Saneh and Sol Azzam.

Big congratulations to all the boys who competed. Your behaviour was exemplary and your conduct on and off the field epitomised what Randwick Boys’ High School is all about. A big thank you to helpers on the day - John Labib and Alex Velasquez for organising all of the equipment and water bottles as well as running water on the day. Frankie Tongia helped with warming up the team and co-ordinating reserves.

Free Graduated Licensing Scheme Workshops for Learner Driver Parents in the Randwick area

Young drivers are three times more likely to be involved in casualty crashes. That’s why the Roads and Maritime Services has introduced a new licensing scheme, with more supervised driving practice for learner drivers.

To help parents in supervising learner drivers, the RMS has set up a FREE 2 hour workshop for parents that offers practical advice on how to help learner drivers become safer drivers.

A FREE RMS parents’ workshop will be conducted by David Riches and hosted by Randwick City Council on Wednesday June 11th at Bowen Library in Maroubra (669 Anzac Parade) from 6.30 pm – 8.30 pm.

Early bookings are essential, by phoning Catherine on 9399 0786 now to reserve your place, or email catherine.hoe@randwick.nsw.gov.au

A Semester 2, 2014 enrolment package for The Shack-UNSW School Tutoring Program is included in this newsletter. A copy has also been forwarded to students NSW DEC email accounts. Students in Years 7 –12 who would like free tutoring assistance in any subject area may apply with parent permission. Every student is required to submit a new enrolment form, even those enrolled in Semester 1.

Tutoring sessions are scheduled after school for one hour on a Monday, Tuesday or Wednesday at the UNSW Roundhouse, Anzac Parade, Kensington. Enrolment forms should be returned to The Shack School Tutoring Coordinator by 11 July 2014 via email tutoring@shack.org.au or posted to Shop 3, 669 Anzac Pde, Maroubra Junction 2035 NSW. Do not return enrolment forms to the school.

Mr GM Burke
Learning Support Team

The Shack - UNSW School Tutoring Program: Semester 2 Enrolments

What is the School Tutoring Program?

The school tutoring program is a cost free tutoring service for students in Years 7 –12 who would like help with their school work but who can’t afford to pay for full private tuition. The service is available for students either living in or attending school in the Botany or Randwick Council areas. The program is run by the Shack Youth Services in conjunction with the University of New South Wales and has been operating since 1996.

How does it work?

You fill out the attached enrolment form and email or post it to the Shack Tutoring Coordinator during the enrolment period between May 19th and July 11th 2014.

We match you with a university student from the University of New South Wales, who can tutor you in the subjects you need help in. This person is volunteering his or her time, however to cover admin and staff costs so this program can be offered to you we request, if you are able, to kindly make a donation to The Shack Youth Services. We suggest $5 per session as an appropriate amount. If you are unable to make a donation you are still welcome to enrol.

You will meet your tutor after school on a Monday, Tuesday or Wednesday at the university for a supervised tutoring session. The tutoring program usually runs from late March to the end of October. It does not operate during University holidays and exam periods. A 2014 tutoring calendar is attached.

What do I have to do?

You are required to contact your tutor by text or phone every week to confirm your attendance at tutoring. If you are unable to attend a tutoring session you must inform your tutor and the Shack Tutoring Program Coordinator and give sufficient notice of your non-attendance. Failure to attend, without prior notification, can result in your removal from the program.

You’ll also be responsible for bringing to your tutoring sessions work that you need help with. You must bring text books, writing paper and pens with you to each session as well as any other materials you need to do your work, such as a calculator. If you do not bring work to do, your tutor is not obliged to tutor you.

Please note that all program information, advice and updates throughout the year are advised to participants via email and it is therefore essential to include an email address on your enrolment form, and to regularly check your email.

Regards,
The Shack Team

2013-2014
Family Energy Rebate

$125*
TOWARDS ENERGY BILLS

DON’T MISS THE DEADLINE!
Apply before 5pm Friday 13 June 2014

WHAT IS THE FAMILY ENERGY REBATE?
The Family Energy Rebate helps to cover the costs of energy bills for NSW households with dependent children. In 2013 – 2014 the rebate gives:

• A $125 credit against electricity bills for eligible applicants who receive electricity from an electricity retailer.
• A $137.50 direct payment to nominated bank accounts for eligible applicants who live in a caravan or mobile home park and receive electricity from the park operator.

AM I ELIGIBLE FOR THE FAMILY ENERGY REBATE?
To be eligible you MUST:

• Be eligible for Family Tax Benefit A or B during 2012-2013 and have received a relevant payment; and
• Be the primary account holder of an electricity retailer, OR a long-term resident of a caravan or mobile park home, whose name appears on the electricity bills supplied by the park operator.

YOU CHOOSE HOW YOU WANT TO APPLY FOR THE FAMILY ENERGY REBATE

• ONLINE – it takes a few minutes to submit and processing starts immediately.
• PAPER – download a form from the website, complete and submit by email, fax or post.
