From the Principal
Tolerance in Trying Times
Randwick Boys’ High School prides itself on its tolerance and diversity. With events in the world currently creating heartache, anger and confusion, it is important for us to reaffirm our commitment to being a just, caring and equitable place.

Recently media reports concerning the behaviour of some young people towards students of Jewish background were disturbing. No student from Randwick Boys’ High School was involved in this incident, I am proud to say.

We have reinforced with our students the need to be tolerant, understanding of others’ differentness and accepting of people as human beings. Of course, along the way, sometimes incidents occur, and we are always willing to help and counsel students in relation to this. Guiding young men to success defines the process, the education, that young men of Randwick receive on their journey to being caring, compassionate adults.

Trivia Night this Saturday
It looks like a good crowd will be on hand for our first Trivia Night on Saturday, August 09. Adriana Skleparis has worked tirelessly to organise the event and to find sponsors. I will be looking forward to seeing from where the trivia buffs emerge on Saturday. Good luck to everyone for a great night!

Summer Sport
Would all students please check the sport notice board to see what sport they will be trialling for next week. Students should ensure that they are eligible for the sport that they have chosen.

The zone rule is: Age is based on the age that you will be in 2015, so if you are 14 now, but turn 15 in 2015 you must play in the 15’s competition.

If you have chosen a Grade sport and have not paid the bus fees you will have to come see Mr Brown about changing to a House sport.

Kevin Daley was Athlete of the week.
