Year 10 Work Experience

Over the next two weeks, Year 10 are participating in a fortnight of work experience. Year 10 students have organised work placements in a wide variety of employment fields. While they may not end up working in the field in which they are undertaking work experience, the program offers many advantages to the students. These include: developing an understanding of the requirements of a working day, meeting deadlines, working in an adult environment and most significantly, the importance of education in giving each student the best chance to maximise opportunities for their future employment.

Stop press

Keep an eye out for a group of our student leadership team who will represent RBHS next Wednesday at a special taping of ABC’s Q&A program that has been timed to coincide with White Ribbon Day. Our school has a proud history of involvement in White Ribbon Day and we are pleased to have been invited to partake in this important discussion. Q&A Wednesday 25th November ABC at 8pm.

E-Diary

What is it?
- E-Diary is a new communication app for parents, students and teachers.

What does it do?
- Receive weekly homework reporting - Stay in touch with child's progress.
- See child's overdue, due & completed homework & assessment tasks - Accessible any time of day with real-time data.
- View upcoming school events - Now you can plan ahead and never miss another event.
- Communicate directly to teachers - Raise concerns before they become issues.
- Parent Smartphone View - View child's homework on any smartphone.

When does it start?
- E-Diary is currently being trialled with selected classes and teachers. We aim to have all students and staff familiar with the system by the end of Term 4. The system will be fully operational on the first day of term next year, and parents will be invited to join at that time.

How do I join?
- The system is very user friendly. Instructions on how to join the system and quick-start guides will be provided in upcoming newsletter.

VOLUNTEERS WANTED

La Perouse Primary School operates a successful reading program for children (many Aboriginal) who are not reading at home on a daily basis. Volunteers are needed to listen to these children read. No formal qualification is needed. The program runs Monday to Friday; 9:15am to 11:00am.

If interested, please contact Anne on 0410 292 774.

Why was Jesus really here?
- ( ) world peace
- ( ) heal the sick
- ( ) feed the hungry
- ( ) save the world

Last week to pay sport bus fees

In order for students to have the best possible sport experience, our school participates in the North West Metropolitan Zone, which is based in the northern suburbs of Sydney. This means that the boys play on a home and away basis and every second week are required to travel to sport.

We provide chartered buses to transport the players to sport and this is a very expensive exercise.

Failure to pay this $60.00 fee could jeopardise participation in this season's finals and future zone competitions.

Volleyball 2s

A very young volleyball team secures first win of the season defeating Asquith 2 sets to 1. With a professional coach secured the future of the team looks set and they seem to be improving each week.

Man of the match Steines Punithan led from the front with spike masters Ruben Samer and Arvin Tandoc being the difference.

Randwick won the first set and then went down in the second set, but the serving of Arvin Tandoc seemed to be the difference in the final set with the ‘Wicks’ winning a closely fought battle by a score of 15-10.

The commitment of these students is astounding organising training at lunch times and after school with the help of Mr Nguyen and coach Gregor.

Randwick basketball finishes strongly

With our senior basketball team graduating this year it was always going to be a rebuilding year, but in fine form the youngsters have lived up to the task with style.

In a tough competition round against Asquith the ‘Wicks’ dominated in all 4 grades with 1st Grade just missing out on the three points after being unlucky not to break the final deadlock.
