From the Principal

Congratulations Year 12

The HSC Presiding Officer, Ms Thompson, has praised the demeanour and dedication of our Year 12 cohort. Under HSC rules, students may leave exams after the first hour, but this usually doesn’t help with earning good results. Ms Thompson has been impressed by the way students are remaining right to the end of exams and working for the full time. Let’s hope this brings the rich rewards this Year 12 deserves.

Congratulations Ms Mould

This week I had the pleasure of presenting Ms Mould with the Excellent Service to School Sport Award. This award is issued by the Department of Education for excellent service to school sport. This is in recognition of Ms Mould’s sustained and consistent contribution to sport in public education having provided students with the support, encouragement and opportunity to participate in, and enjoy, sporting activities. All members in the school community acknowledge Ms Mould has worked tirelessly to raise the profile of sport and to provide every opportunity to our students.

FROM AROUND THE GROUNDS

Our boys had some great wins last week across the board.

Especially pleasing was the Baseball result, where the boys had their first win of the season. This team is improving rapidly under the calm tuition of Mr Douglass and professional baseball coach, Hector, who played baseball in Venezuela in South America and in the United States. I was lucky to see the team play last week and it was exciting to see the skills displayed, with some great base hits from players like Jeff Hung and Daniel Grace. Chai Sen pitched extremely well and Caidos Sapsford played intelligent and committed baseball as catcher. Our Cricket teams continue to dominate their opponents and our hardworking Basketball players are training well with their new coaches Henry with the juniors and Paul with the seniors. Mr Nguyen also praised his Volleyball team’s commitment to training, with pro coach Gregor helping out. He says his team is improving each week. Keep up the good work boys!

Athlete of the Week

It’s high time someone other than a cricketer won the Sportsman of the Week Award! This week it goes to Duncan Evans for his dominant role in last week’s Regional Knockout Water Polo games by our team at Ryde. Duncan is emerging as another star in the water, along with our established “fish” Scott Dyson. Our Under 15s boys represented the school magnificently last week against the best schools in the Region. We made it to the Regional final after winning 2 games against Epping and Homebush. However, we went down in the final to Water Polo powerhouse, Balgowlah Boys’ High.

While we talk about Water Polo, Scott Dyson has just been selected to the Sydney North Region Opens Water Polo team, even though he is only 15!!! Scott is used to being selected for rep teams - so this is no surprise, but it is still a wonderful achievement.

REPRESENTATIVE SELECTIONS

While we talk about Water Polo, Scott Dyson has just been selected to the Sydney North Region Opens Water Polo team, even though he is only 15!!! Scott is used to being selected for rep teams - so this is no surprise, but it is still a wonderful achievement.
Our other rep star is Nivek Tanner, who has progressed to the second stage of the Sydney North Opens Cricket selection trials.

You will be hearing more about these boys in the future! Well done to both of you!

2015 Randwick Boys’ High School Crossroads Camp

14th September 2015

Dear Parents/Carers,

Randwick Boys’ High School places itself on the opportunities it provides to all of its students to reach their potential, to understand their words and to reflect on their experiences.

The Crossroads program is a mandatory personal development and health education course for all students in NSW Government schools. Crossroads aims to introduce discussion and positive choice making for young adults. The two themes of the program are relationships and drug issues.

At Randwick Boys’ High School, in order to fulfill the requirements of this course, Year 10 students will participate in a school camp from Wednesday 18th November to Friday 20th November 2015, with the Outdoor Education Experience.

Crossroads aims to support senior students as they address issues related to identity, independence and the changing responsibilities they face. In Crossroads, students have the opportunity to develop knowledge, understandings and skills to enable them to make informed decisions about issues which are pertinent to them.

We believe that the Crossroads Camp will be an invaluable experience in helping our students to make responsible decisions in relation to these important matters of well-being. Students will also be exposed to a range of educational experiences aimed at developing valuable social interaction skills. We also believe that this will be an engaging learning experience.

The cost of the camp includes all meals and participation in all activities, which are arranged and supervised by qualified camp staff and teachers.

Location: Outdoor Education NSW
Actva Education
Nentoura Road
Marlset NSW 2264
Ph: 1800 334 994

Transport: Travelling by bus with teacher supervision

Depart: RBHS at 9:00am on 18th November 2015
Return: RBHS at 3:00pm on 20th November 2015
Cost: $212

Final Payment: Monday 26th October, 2015

The cost of the camp is approximately $255 per student; however the school has helped by generously subsidising part of the cost. Thus, it will only cost each participant $212.

Information regarding medical forms, clothing requirements and camp rules will be distributed to students once payment has been made.

If you have any inquiries, please contact Ms da Costa,

Please return the signed permission note and payment to the RBHS office by Monday 26th October, 2015.

Ms da Costa
Relieving Head Teacher Well-being
2015 Randwick Boys' High School Crossroads Camp

Permission Note

(Please return the signed permission note and payment to the front office by 26th October, 2015)

I give permission for my son __________________________ to attend the 2015 Randwick Boys' High School Crossroads Camp at Outdoor Education NSW Active Education Morisset Centre from Wednesday 18th November to Friday 20th November 2015.

I understand that students will be travelling by bus to and from the camp, under the supervision of teachers.

I have discussed with my son about appropriate conduct whilst at the camp.
