From the Principal

Students on Government Transport

Students travelling on government transport do so either on a school student’s ticket (such as a bus pass) or a concessional (reduced cost) ticket. It is a condition of both type of ticket that students give their seats up to full fare paying customers.

It is important that students understand that when travelling in school uniform they are identified as members of the school and that members of the public notice and comment on students’ behaviour.

Confiscation of Property

From time to time, the Legal Services Directorate of the Department issues bulletins on topics of importance to schools. Recently, the Directorate has issued a Legal Issues Bulletin on confiscation of property. The relevant parts of this bulletin have been included in this newsletter for the information of parents, caregivers and students.

Belated Congratulations to a fine athlete

Year 8 student, Felix Long, is an outstanding athlete. He was chosen in the Little Athletics Team for NSW which competed in Perth in the Australian Championships.

Most athletes have a single track or field event which is their preferred event. Felix competed in 100m, 80m Hurdles and triple Jump, a very impressive repertoire of events!

Always modest and unassuming, Felix did not let us know, but a proud Little Athletics Coaching and Development Director let the cat out of the bag. Well done Felix!

Year 8 students Ethan Lee Chalk, Harry Steenbeek & Josiah Cocking, along with Year 12 students Jean-Luc Hoareau, Stefano Lambrou & Aaron Hobson embraced the spirit of the Anzacs, sleeping out under a starry sky on 24-25 April as part of the Camp Gallipoli experience inside the Entertainment Quarter. Sharing ground space with 6,500 others, waking to a dawn service, ‘Lest We Forget’.
P&C Update

Welcome to the new P&C Executive elected at the meeting at the end of last term. A big Thank You to the outgoing Executive for the great work done over the past year. Our newly elected members are:

President: Sally Durham
Vice Presidents: Nasser Attia / Rosie Mobbs
Secretary: Ruth Williams
Treasurer: Adriana Skleparis

We have a number of P&C Committees that will work on agreed initiatives, including:
- Fundraising
- Grounds/gardens
- Community engagement/marketing
- Advocacy/lobbying
- P&C Promotion

Everyone is invited to come along and get involved in projects to improve our school. If you have a skill in one of the above areas – great – but if not, no problem, all that is needed is a willingness to help.

Our next P&C meeting is on Tuesday 19th May at 7:30pm in the Staff Common Room. We will be discussing and planning P&C activities for the year, as well as having a presentation by Anna Edwards, the Head Teacher of the new Teaching and Learning Faculty. Anna’s presentation will outline her new role in relation to:

1. Oversight of careers, learning & support team, the library, languages other than English and ESL support.
2. Oversight of Board of Studies, Teaching and Educational Standards entries for year advisers.
4. Continued focus on developing and enhancing the Gifted and Talented Program.
5. Support for students completing their HSC via the HSC Pathways program
6. Working with the Head Teacher, Welfare to oversee the role of the Learning Support Team in delivering support to all students requiring assistance.
7. Continued oversight of the Student Representative Council.

Hope to see you there!

Sally Durham
RBHS P&C President

HSC Study Without Stress Workshop

The HSC years can be stressful. An increased academic workload coupled with high expectations to perform often lead to stress and anxiety. This can then lead to a lack of balance between academic pursuits and other activities such as physical and social activity – creating even more stress.

The Centre for Emotional Health at Macquarie University offers a Study without Stress Workshop to provide students with skills to study and perform in exams more effectively and with less stress.

Join the workshop on Monday 6 July or Tuesday 7 July from 10am to 12pm, to learn:

- Why and how your body reacts to stress
- How unhelpful thinking, perfectionism and procrastination may be sabotaging you
- The importance of social and physical pursuits to maintain balance

By the end of the session, you will have the tools to:

- Change the way you view school and exam stress
- Tips to deal with work avoidance and unrealistic expectations
- Tips for tackling exam anxiety

University Admissions Centre Educational Access Scheme

The University Admissions Centre Educational Access Scheme (EAS) helps students who have experienced long-term educational disadvantage gain admission to tertiary study.

To be eligible for EAS consideration a student’s educational performance must have been seriously affected, normally for a period of at least six months during Year 11 and/or 12, due to circumstances beyond their control and choosing.

There are seven broad categories of long-term educational disadvantage:

- Disrupted schooling
- Financial hardship
- Home environment
- English language difficulty
- Personal illness/disability
- Refugee status
- School environment

Further information and application forms are available online at http://www.uac.edu.au/eas/

EAS applications open early August and close on 30 September 2015.

The school contact person for the EAS is the Careers Teacher, Mr Jim Dimopoulos.

Student feeling unwell while at school

If your son/ward becomes unwell at school, he needs to:

1. Ask teacher for a note to go to the office.
2. After reporting to the office he will be sent to the Deputy Principal.
3. The Deputy Principal will decide if you need to be called.

This ensures your son/ward’s attendance will be correctly marked for the rest of the day.

### From Around the Grounds

#### RBHS Tennis Team

The Randwick Boys’ High School U14s and U15s tennis teams triumphed over Asquith Boys’ High School this week.

Randwick had a tough summer competition playing in a senior competition, but this has obviously had a positive effect with the boys winning in straight sets in the U15s and 5-2 in the U14s.

Both Ryan Lee and Ben Royston led from the front against their Asquith rivals with Teru Kawabe making another appearance on the Man of the Match Tally.

#### Lawn Bowls

The Randwick boys may have lost 12 to 3, but for a team that has never played lawn bowls before they played very well and did RBHS proud.

Confiscation of student property

Principal have the authority to maintain discipline in schools and provide safe, supportive and responsive learning environments for both students and staff. To give effect to this authority, if any property or item is being used inappropriately by a student principals and staff have the power of confiscation.

Can teachers confiscate the personal property of a student?

Yes. The test is whether the particular property or item is being used inappropriately by the student. “Inappropriate use” has a wide meaning and will include being used in a way that is —

- Contrary to any applicable school rules,
- Disruptive to the school’s learning environment,
- A risk to the safety or wellbeing of students, staff or other people,
- Contrary to any reasonable direction given by school staff about the use of the item,
- Illegal or otherwise of a nature that causes significant concern for staff.

Is there any limit on what can be confiscated?

Generally no. Examples of property or items that may be confiscated if used inappropriately by students include -

- Mobile devices such as phones, tablets, iPods or portable gaming devices,
- Laptops and other portable computers,
- Cameras, video cameras and similar recording devices,
- Collector cards, figurines, rubber bands (including e.g. Wacky bandz and loom bands) stickers or other items which may be popular from time to time,
- Toys, games or other play items,
- Clothing, such as towels, hats and belts, which is being used inappropriately, for example by striking other students or staff,
- Illegal material such as pornographic magazines or other publications.

If staff are aware of students possessing illegal drugs, suspected illegal drugs, prohibited weapons or dangerous weapons, they should immediately arrange for the matter to be reported to the police. Confiscation should only occur if the immediate safety of students or staff is at risk and action can be taken without risk to staff.

What would amount to inappropriate use of a mobile device?

Inappropriate use of a mobile device such as a phone could include a wide range of behaviour such as –
- Bullying, intimidating or otherwise harassing others through SMS or text messaging or through photographic, video or other data transfer systems available on the phone,
- Recording of conversations, including lessons, without the knowledge and permission of the teacher or those involved in the conversation,
- Downloading or otherwise accessing inappropriate material on the internet such as child abuse or pornographic or other offensive material,
- Filming of fights or other criminal behaviour involving students that occur at school, during school activities or while on the way to or from school,
- Using it in a way that threatens or is likely to threaten the safety or wellbeing of any person,
- Using it in a way that disrupts an individual’s learning or is likely to disrupt the learning environment for others or interfere with the operation of the school, or
- Use that is in breach of any law.
